**Please take this home with you!**

**Saturday, May 11, 2019 to Sunday, May 19, 2019**

*Our Mission is to welcome all people to know and live as Christ in the world.*

*A partial weekly listing of activities and programs at Trinity Episcopal Cathedral, Reno*

**WE WELCOME YOU**, are glad you chose to be with us today, and are honored by your presence! We are here to welcome and serve all of God's people, so if we can be of service to you please let us know. We invite you to come to our Welcome Table at the back of the church, sign our Guest Book, and receive a gift. There is an "Orange Form" in the pew if you would be willing to express your concerns or give us contact information. This form may be placed into the offering plate (this is all we expect of you at the Offertory, since you are our guest!) or given to one of the clergy when you depart.

**Now available! Activity bags for children!** If you have a tike who wiggles and gets bored at church, feel free to grab a purple Trinity Kid Activity Bag from under the tables at the entrances. Each bag contains books, crayons, and coloring sheets. Simply return it when worship is over to be used again next time!

**The Nevada Department of Health and Human Services is developing a strategic plan that will include specific strategies to improve healthcare for LGBTQ+ individuals throughout Nevada.** As part of the strategic plan, the state has contracted with Social Entrepreneurs, Inc. to conduct focus groups to identify system barriers that inadvertently impact LGBTQ+ populations and to identify possible solutions. It's so important that the lived experiences of LGBTQ+ individuals are included in the development of the plan!

The focus groups are scheduled for 90 minutes and will allow participants to share their experiences in a safe and confidential environment.

## Communion Milestone – First Communion Classes

Do you have a child/grandchild (7 years of age and older) who are ready to go through the Communion Milestone program? Once a child is baptized they are openly invited to “commune” with their church families at our weekly Eucharist. Upon attaining the age of seven (as rational thinking skills begin) the Church has promoted and practiced for several decades now the opportunity for children to learn more about Holy Communion and its significance in our spiritual development. The program is also designed for parents! Children have greater exposure to influences and development under the roof of their parents than any other place. But, many parents feel inadequate about guiding their children spiritually. The Communion Milestone course teaches and models for parents how to be spiritual mentors. True healthy living is relational and involves the interaction of a community. The Milestone program offers that opportunity for parents and children to learn together and share their thoughts and experiences.

Please contact Father William or the office to express your interest so that we may plan accordingly.

**There is a form to fill out to pre-register for the class.** I am recommending that this year we schedule a block of Saturdays to accomplish our class goals.

Feel free to drop-in when you are able to on Fridays, before coming to our Pipes on the River concerts (we end around 11:45 AM), or make it part of your weekly devotional.
